

SPONSORSHIP PACKET

## WHAT IS ADAPTIVE BY APEC?

The APEC Adaptive Training Foundation provides cost-free physical and mental training to empower those with adaptive challenges to redefine their lives through exercise and community.

Mission: The APEC Adaptive Foundation provides training systems, experiences, and overall support for kids, athletes, adults and veterans affected by, but not limited to: spina bifida, amputation, military injury and poverty. Our purpose is to provide adaptive services free of charge to all participants.

All services the Adaptive Foundation provides will be free. These services require an application process in which we review applicants and accept a number of participants per program or event. In the short term we will offer free training at APEC in 8-week increments. Long-term plans include after equine therapy, ski trips, counseling, after school programs and other experiences.

## HOW CAN YOU HELP?

The Adaptive Foundation is a 501c3 organization. Sponsors make this foundation possible. Without their financial commitment to our athletes, these valued members of our community will miss out on an opportunity to defy their diagnosis and/or overcome undeniable adversity.

## MAKE AN IMPACT

Partner with the APEC Adaptive Foundation on the physical and mental transformation of key members of our community. Kids who think they are broken will learn just how incredible they are. Veterans who are suffering from mental and physical injuries will regain the confidence and worth they deserve for their service. At-risk kids will learn what it takes to develop work ethic and remove excuses for their future. The foundation will run seasonal training programs and events in addition to acquiring necessary support, equipment, transportation, competition entry fees, and therapy, among many other needs for teams / individuals.

## WHERE YOUR MONEY GOES

The APEC Adaptive Foundation will be transparent in its impact and financial operation. Whether it's \$2,500 for equipment, helping underwrite a carbon fiber running prosthetic foot not covered by insurance, or making the introduction to a mentor who has triumphed over a similar challenge, AAF provides those with the desire to live an active, athletic lifestyle every opportunity to compete in sports and physical activities. The AAF will put out quarterly IMPACT newsletters to inform you on the impact we are making in the community. In addition, we will put out yearly financial reports to show how your contributions were put to use.

## GET OFF THE SIDELINE AND IN THE GAME

Anyone who donates to the AAF is also eligible to be an active volunteer, and we encourage all donors to volunteer their time. You can commit to being there for every session or simply drop in to encourage our athletes.

# WAYS TO JOIN THE APEC ADAPTIVE FOUNDATION TEAM:

› **RECURRING MONTHLY DONATION**

In the amount of \$5 - \$999

---

› **ONE TIME DONATION OF ANY AMOUNT**

---

› **SPONSOR A SPECIFIC ATHLETE FOR A YEAR**
